Overview

Myoung-Ho Song is a Senior Attorney at Dentons Lee having many years of experience in litigation. His practice mainly focuses on civil/administrative litigations with regard to urban development, real estate development, land expropriation, land compensation, plant related approvals/permissions, among many others.

Mr. Song was admitted to practice law after passing the 39th national bar exam and completing the requisite judicial training courses at the Judicial Research and Training Institute in Korea. Earlier in his career, he served as judge of several district courts across Korea before becoming a Senior Attorney.
